Capacity	200 kWp
Modules	250 Wp x 800 nos
Inverter	20kVA x 9 nos, 15kVA x 2
Estimated Daily Output	850 units

Cochin Shipyard is a Government of India company that has emerged as a forerunner in the Indian ship building and ship repair industry. This yard builds and repairs the largest vessels in India.

Orb Energy has installed a 200kWp solar grid-tied system which generates more than 850 units of electricity per day, and provides a major proportion of the electricity requirements to its office, canteen and workshops.
